Donn, this is the last message I have from Lauren on the subject. Arkwood did not go to the repository as a result. Neither Christy nor I have heard from Stephen saying to proceed.

Thank you.

Hi Lauren, thanks for the copy.

Let's hold off on sending it to the site repository for now. Donn and I discussed sharing this version with the PRPs for any final comments.

Thanks,

Stephen:

Attached is a revised 5th draft of the Arkwood Community Involvement Plan. Donn Walters asked me to send it to you to see whether you have any further comments. If not, the document will be finalized and sent to the site repository at the ADEQ.

Please cc all, and let us know whether you have any additional comments to the draft.
Thank you.
